### **Report of Evaluation Committee:**

Arlene Quinlan reported that the evaluation committee has done a great job of evaluating officials at the UNF camp this summer. At this time we have only 36 officials evaluated. The need to get all officials evaluated pre-season is imperative. If you have not been evaluated at the UNF camp and are doing middle school games with one of the evaluators, please ask that evaluator to evaluate you. The evaluator will also ask you if you have been evaluated. The evaluator will make notes after the game and critique you during half time and after the game. The evaluator will then do a written evaluation to be given to you, SABO board and the state.

The following officials' evaluations were not filled out properly and are not valid. You must be re-evaluated.

- Scott Hepinstall
- Jack Jones
- Willie Lattimore

- Danny Tippet

The following officials are evaluators.

- Allen, McKennis
- Busbee, Margaret
- Costello, Tina
- Green, Pat
- Jarrett, Ron
- Kersey, Jerry
- Mitchell, Terrence
- Napoleon, Beryl
- Naso, Steve
- Phillips, George
- Quinlan, Arlene
- Starling, Lawrence
- Turntine, Bob

Evaluators need to get evaluation forms and criteria memo from either Arlene Quinlan or from a board member.

Thank you for all your hard work and cooperation to help make SABO the best!

### **Vice President's Report:**

Be on time for your game in order to have a good pre-game with your partner.

A solid Pre-game makes the game go better. The Referee has the responsibility to conduct the Pre-game.

Be prepared both mentally and physically to referee the game.

Trust your partner. There are three teams on the court, the two competing teams and the officiating team. The best team on the court should be the officials.
